

Christian Union Partnership Grant Program
Instructions & Guidelines for Christian Ministries in select Universities

Christian Union was founded to encourage the spiritual transformation at nine of the most strategic universities in America (Brown, Columbia, Cornell, Dartmouth, Harvard, University of Pennsylvania, Princeton, Stanford and Yale). We desire to see these campuses bring honor and glory to God.

We will consider any grant request that furthers the cause of Christ on these campuses for any amount up to \$1,500 per ministry, per (CU fiscal) quarter (Jul.Aug.Sept)(Oct.Nov.Dec)(Jan.Feb.Mar)(Apr.May.Jun), providing *the application is submitted at least 3 weeks* before the event. We would be especially inclined to support the following **campus** events:

- events that promote evangelism.
- events that promote unity and prayer.
- events that promote social action by meeting people's needs and sharing the gospel.
- speakers/Lecture series that promote a Christian worldview.
- administrative help for ministry concerns

Application Procedures:

1. Please submit **each** Grant request on a separate *Christian Union grant application* by email as a **Word doc**.
2. If you are making more than one request, please prioritize the requests.
3. If you have a statement of faith, please submit it with the application.
4. Include Tax ID No. for your campus ministry or provide the ministry National Tax ID No.
5. Please provide the ministry's Home Office address that matches the Tax ID No.
6. Please provide a Project budget with 3-5 of the main budget categories.

NB: *Conditions of receiving a Christian Union Grant:*

If your ministry receives a grant, the money must **only** be used for the event it was granted for. If the grant money is used for another event without prior permission from Christian Union, the grant money will have to be returned. No later than **one week** after the conclusion of the event, an After-Event Report Form must be submitted along with **6 (six) high** resolution photographs (jpegs only please). In the report, the following questions must be answered:

- Date of the event.
- What were your stated goals?
- Did you reach your goals?
- What were the results? - please be as detailed as possible.
- How many people **1)** attended and **2)** organized, the event.
- How did this event further the cause of Christ on your campus?
- If applicable, please include a copy of your advertisement and any newspaper articles that appeared before and/or after the event.
- Please submit a minimum of 6 photos that are 2–5 MB in size, in .jpeg format only. (Please do not submit photos taken at strange angles)
(NB: *photos sent in with the report, may be used by Christian Union in their publications*).

Please Also Note:

- * Applications submitted **less than 2 weeks before** the event may not be considered
- * If the above procedures are not followed or requirements are not submitted with the application, it could cause either a delay in your application being reviewed, or your application being turned down
- * No grant applications are considered for events that have already started or have taken place
- * Only one grant will be given per event
- * Grants cannot be given to individuals
- * Grants cannot be given to 'tour' type events
- * Grants cannot be given to events taking place in other countries
- * Failure to submit an After-Event Report will jeopardize receiving any future grants.
