Christian Union at Brown

BROWN POSSESSES A RICH CHRISTIAN HERITAGE. IN 1764 THE university was established with the motto "In Deo Speramus" (In God We Trust). Brown was established by Baptist leaders to supply the denomination with qualified ministers. Over the years the university increasingly secularized, leaving students to depend on campus ministries and local churches for spiritual enrichment. To help meet that need, Matt Bennett launched Christian Union at Brown in 2014.

Christian Union shapes the lives of students through its rigorous Bible courses, one-on-one mentorship with high-caliber ministry fellows, and a compelling weekly leadership lecture series. By God's grace, the ministry has grown from a handful of students in Bible courses in 2014 to over 110 students in recent years.

Christian Union seeks a spiritually vibrant nation marked by Christian values permeating every corner of society. To that end, the ministry is launching young men and women with determination to use their strategic influence for godly purposes. Christian Union students are leading change on campus: marshaling intellectual reasoning in the classroom, championing the Christian worldview, and transforming campus culture. Alumni are influencing the world's leading institutions and graduate programs.

We believe God wants to do so much more. Through your financial partnership, Christian Union can hire additional ministry fellows to reach even more students.

Join Christian Union in asking the Lord to move powerfully at Brown, rejoicing in His promise to draw near to all who seek Him.

...

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

– II CHRONICLES 7:14
